

Classic Lines Long board Club Profile 2005

Established: 1995

Classic Lines Long Board Club was established over 10 years ago. We originally started as the "**8 Footers**" but the club was re named **Classic Lines** in 1996 as the popularity of 9ft long boards took over.

Current committee:

President : Craig Wood

Long Board delegate ; Sam Avramidis

Secretary ; Shaun Cook

Treasurer : Steve Summers

Contest Organizers : Gary Beasley, Grant Faint

Safety Officer : Sue Bennett

Current membership: over 40 members participating in Open 9ft ,Open Handicap 9ft and Open fun board .

Competitors include men, women and juniors . Ages vary from 16 to 60. The main focus of the club is to promote **competitive 9ft surfing** and we proudly boast members who are either current or past State and Aust. Champions. These include.....

Dylan Howlett, Chelsea Willams, Ray Palmer (short board), **Emma Hodgeman, Jason Russell, Jack Howarth.....**

Classic Lines proudly hold the **Inter-Club Trophy**, which we fiercely compete for each year.

The addition of the very popular **Fun board** division in our monthly comps is proving a great success and certainly adds to the **Fun** in our rallies.

We meet at 3 poles car park on a designated day once a month, (Sat or Sunday) and so far we have been very lucky (thanks Huey) with great conditions for surfing.

All of our comps have so far been held on the South Coast (looking for the best conditions) and we end each event with one of **Grant Faint's** famous Barbeques.

Classic Lines will also hold a Club comp. at **Yorkes** in November this year which is a great place for a getaway .

In the past our **Robe Classic** has proven to be a popular event as we open our competition out to the other clubs and local surfers for this special event.

Next Year in **February** we plan to hold an **Invitational / Open** event with the **10 top seeded** long boarders surfing off in a final against 10 surfers from a **Knock out Trials event**. Stay tuned for something different with this one !

Of course Classic Lines is more than just a Club, we have been pro active in numerous charity and community projects. 15 members are involved

in the newly formed **Disabled Surfing Association** and the Clubs **Ben Woodhouse** was elected D.S.A. president. In addition we have raised funds for the **Eyre Peninsular Bushfire Appeal** so our club can be proud of itself.
